

NOTICE OF INTENTION (COMMON INTEREST)

RE 624 Part II (Rev. 12/08)

INTRODUCTION

The Part II Index/Quantitative Deficiency Notice is designed to allow BRE staff to quickly determine whether your application is “substantially complete,” without having to review the entire Part III Questionnaire. Please read the Instructions in Part I thoroughly. By properly completing Part II you will enable the Bureau to send out a Quantitative Deficiency Notice within 10 days.

The Part II Index/Quantitative Deficiency Notice is a list of the documents required for a “substantially complete application” (SCA) only. ***It is not a list of all the documents needed for issuance of the final public report.*** The additional documents needed for issuance of the final report will be listed in deficiency notices prepared by a Deputy after your application is substantially complete.

USE OF MASTER FILE DOCUMENTS

If you are submitting the first phase or map of a phased or multiple-map project, you may elect to designate this application as a “Master File” for the subsequent applications (see item 1K, page 2 of Part III). By this means you may use documentation contained in the Master File to serve in subsequent applications without having to re-submit the same item.

When submitting subsequent phases (or maps) indicate which documents are to be referenced in the Master File by entering “M. File” in column #5 of the Part II Index/Quantitative Deficiency Notice and in the item in Part III Notice of Intention (Common Interest).

Subsequent phase filings must be submitted on RE 624 pursuant to the guidelines which follow.

- If RE 624 is used for a subsequent phase filing, all answers which differ from those on the Master File RE 624 must be highlighted and underscored in red on the RE 624 submitted for the subsequent phase filing.
- RE 624 must be used for the first phase filing of every phased project. ***It must also be used for the first phase of each new map in a multiple-map phased project.***

INSTRUCTIONS

Step 1. Complete Part III. Answer *all* questions.

Step 2. Complete Part II. For each item number shown in column #1 of Part II, consult Part III and transfer your answer to column #2. Enter YES, NO, or NA.

Note: If you leave any blanks, your application is incomplete and therefore does not meet “minimum filing package” (MFP) requirements.

Step 3. Compare your transferred answer in column #2 to the “Qualifying Answer” in column #3. If the answers in column #2 and column #3 are the same, you must submit the corresponding document named in column #4 in order to compile a substantially complete application. Part III of the Notice of Intention provides further information on the specific document required.

Step 4. Compile and tab documents with the number shown in column #1. If more than one document needs to be submitted in response to a single question, tab each document with the same number. If a single document serves more than one document requirement, affix tabs with each of the pertinent item numbers to that document.

Step 5. In column #5, indicate with a check mark which items you are submitting with your initial filing.

After review of your file, BRE staff will check column #6 to indicate which additional documents, if any, are required to qualify for SCA. A copy of Part II will be sent to you as a Quantitative Deficiency Notice. ***Submit all deficiency-response documents together in one package under the original Quantitative Deficiency Notice.***

DUPLICATE BUDGET PACKAGE INFORMATION (DBP)

The documents required in the DBP will vary depending on your project’s set-up. In order to determine whether your DBP is complete, transcribe your answers from Part III to column #2 below. If your answer matches the preprinted qualifying answer in column #3, the DBP must include the documents shown in column #4.

When all the required documents are collected, submit them at one time in a separate folder as described in Part I, item XIV and as shown in Figure B.

All items required for DBP must be submitted at one time. If the

DBP is not complete the entire folder will be returned.

If this is a subsequent phase filing (or a subsequent map filing) **and** if the budget for this phase was approved within the last eighteen months, **and** if there is absolutely no change in the offering, you may submit RE 684A in lieu of a DBP. See Instructions, Part I, item XIV.

- ① May be deleted from subsequent phase or subsequent map filings, as per Instructions, Part I, item XIV.
